

# **Our Vision**

**Working together in the pursuit of excellence for all**

**To develop the best school possible for pupils in urban contexts**

**To be the best school we can be by:**

- Being an exemplary and inclusive school, focused on closing the gap
- Achieving excellent academic standards
- Providing an enriching curriculum for pupils in urban contexts
- Celebrating individuality and diversity
- Being innovative and forward thinking
- Embedding a 'can do' culture
- Providing excellent value for money and ensuring robust financial probity

## **Our Pupils**

**To be the best pupils they can be by:**

- Attaining the best academic results possible for their ability
- Being confident, resilient, enquiring, co-operative and balanced. In essence, becoming purposeful, happy and productive citizens of the 21<sup>st</sup> century
- Engaging in a range of extra-curricular and enriching activities
- Developing a 'can do' attitude

## **Our Employees**

**To be the best employees they can be by:**

- Understanding and living the moral purpose which underpins our mission
- Being excellent practitioners focused on achieving outcomes
- Becoming successful leaders
- Providing excellent care and support for pupils, their families and the community
- Exuding a 'can do' attitude
